Dear Parents and Students,

We had an exciting week meeting new people and getting to know about each other. It has been a busy week preparing our materials and learning new procedures. Students will take the i-Ready diagnostic and will need their earphones.

Each week you will get a quick email from me that will include the class website link.

<https://sbcecrewsnews.weebly.com/> On the website's main page, you will find a list of upcoming calendar events, a quick summary of our academic focus for this week and next, and unit standards. The reading and writing pages of the website are under construction due to the district's change to our Wonder's curriculum materials. I am adjusting those pages to better support you and the students with our new materials.

Have a wonderful weekend.

Mrs. Crews

Dear Parents and Students,

Below are a couple of announcements and the website has been updated.

5th Grade Yearbook Cover Competition –

Use the class website <https://sbcecrewsnews.weebly.com/> to see information about the SBCE 5th grade yearbook cover competition. See "Class Resources" for this and other information.

Code of Conduct and Discipline Handbook –

In an attempt to provide buildings where learning can take place and teachers can teach, we ask every parent and student to review this handbook, and then sign the electronic form (found in the **Parent Portal**) confirming review of the handbook.
